

About This Download

PRINTING

The majority of our downloads are formatted to print on 8.5x11” paper, unless otherwise noted. You may print at home or at a local print shop. We recommend using a recent version of Adobe Acrobat PDF Reader to view and print your files. It is available for free online. If you run into problems with pages being cut off, select “fit to page” in your print dialogue box to make sure it fits on your page correctly.

To print large page sizes (anything larger than 8.5x11”), we recommend going to a local print shop like Kinko’s, Staples, AlphaGraphics, etc. and ask them to print your file as a black and white “engineer print” or “blueprint.” These larger prints are big and fun, and fairly inexpensive.

If the staff at your print shop asks you about your rights to reproduce this work, you will find a copyright release below. Or you can tell them you downloaded these files for personal use from comefollowmefhe.com and they can look us up to see you do have rights to print the copies.

Peace Dove

The Book of Mormon “tells men what they must do to gain peace in this life and eternal salvation in the life to come” (Introduction, The Book of Mormon).

Talk about peace with your family and what peace means as you cut out and assemble the peace dove (as shown below). Then, hang it somewhere your family can see it all week and work on striving to be peacemakers and finding peace in this life. You could punch a hole in the top and hang it up, stick it to your fridge with a magnet or hang it on your child’s door. You may even consider reading Pres. Russell M. Nelson’s talk titled: “Peacemakers Needed” (April 2023 General Conference).

INSTRUCTIONS: Print on cardstock for durability. Then cut out each piece. Write ways you can be a peacemaker on the strips and glue them under the belly of the dove.
