About This Download

PRINTING

The majority of our downloads are formatted to print on 8.5x11" paper unless otherwise noted. You may print at home or a local print shop. We recommend using a recent version of Adobe Acrobat PDF Reader to view and print your files. It is available for free online. If you run into problems with pages being cut off, select "fit to page" in your print dialogue box to make sure it fits on your page correctly.

To print large page sizes (anything larger than 8.5x11"), we recommend going to a local print shop like Kinko's, Staples, AlphaGraphics, etc. and ask them to print your file as a black and white "engineer print" or "blueprint." These larger prints are big, fun and fairly inexpensive.

If the staff at your print shop asks you about your rights to reproduce this work, you will find a copyright release below. Or you can tell them you downloaded these files for personal use from comefollowmefhe.com and they can look us up to see if you do have the rights to print the copies.

Cain and Abel Cootie Catcher

Instructions:

How to fold:

See “how to fold a cootie catcher” instruction page.

How to play:

1. Have a player choose one of the top four pictures. Spell the name of the picture chosen while you open and close the Cootie Catcher once for each letter in the picture they selected.
2. The player then selects one of the four visible numbers on the inside. Open up and down and side to side as you count the right amount they picked.
3. When you’ve stopped counting, look inside and let the player choose again. Lift the panel of the number chosen and read and answer the question. Reveal the answer underneath to see if you answered correctly.

Play again and again!
