About This Download

PRINTING

The majority of our downloads are formatted to print on 8.5x11" paper unless otherwise noted. You may print at home or a local print shop. We recommend using a recent version of Adobe Acrobat PDF Reader to view and print your files. It is available for free online. If you run into problems with pages being cut off, select "fit to page" in your print dialogue box to make sure it fits on your page correctly.

To print large page sizes (anything larger than 8.5x11"), we recommend going to a local print shop like Kinko's, Staples, AlphaGraphics, etc. and ask them to print your file as a black and white "engineer print" or "blueprint." These larger prints are big, fun and fairly inexpensive.

If the staff at your print shop asks you about your rights to reproduce this work, you will find a copyright release below. Or you can tell them you downloaded these files for personal use from comefollowmefhe.com and they can look us up to see if you do have the rights to print the copies.

Family History Chart

DOCTRINE AND COVENANTS 138:57

Read D&C 138:57 as a family. Talk about the spirit world and how this scripture teaches us that missionary work is happening there and on Earth. Use the family history chart and fill it out together. (You might already have one to copy from, but letting your kids fill one out is a good opportunity to study and discuss the names on the chart.)

As you take turns filling out the chart, share a memory of a family member you want to see again one day. Keep your family history chart up during the week and share more memories as opportunities arise.

*To fill in your chart: Start with yourself in the circle at the bottom. You can write in your name or draw a picture of yourself. Then, put in your parents, their parents (your grandparents) and their parents (your great-grandparents).
