About This Download

PRINTING

Most of our downloads are formatted to print on 8.5x11" paper unless otherwise noted. You may print them at home or at a local print shop. We recommend using the latest version of Adobe Acrobat Reader to view and print your files. It is available for a free trial online.

If you experience issues with pages being cut off, select "Fit to Page" in your print dialog box to ensure the file prints correctly.

For larger page sizes (anything bigger than 8.5x11"), we recommend printing at a local print shop such as a UPS or FedEx store. Ask them to print your file as a black-and-white "engineer print" or "blueprint." These larger prints are big, fun, and fairly inexpensive.

If the print shop staff asks about your rights to reproduce this work, refer to the copyright release below. You can also tell them you downloaded these files for personal use from comefollowmefhe.com, and they can verify printing rights there.

His Hands Accordion

Moses was commanded to record his spiritual experiences so that he and others could remember how God had shown His hand in his life. If we were to take a microscope and look at all the areas of our lives, we could see Heavenly Father's unique handprints as He blesses, provides for, and delivers us. Make the His Hands Accordion to help you recognize and record how you have seen the Lord show up at home, at school, at church, and at play! To assemble, cut along the solid outlines and fold along the dotted lines. Glue or tape the sides together where indicated. Help your child write or draw how God has shown up in their life in these four areas.
